Detailed Description of Services:

Invest in the rapidly growing senior market as a member of the SarahCare family. The only company in the country who has been proven successful over time in offering franchises in adult day care and related home and community based services. Say. "YES" to this great opportunity.

At the heart of SarahCare is a uniquely designed program that brings together health, social, and other supportive services in a warm, familiar, safe and friendly environment. SarahCare creates individualized person-centered plans

of care for each participant and customizes care and activities to fit their daytime needs. Our centers are staffed with Licensed nurses who oversee chronic health conditions and medication management.

Owners take pride in creating an upscale center. Our model of care provides services that will help keep families together at a cost that is less than daily home care or residential living. Healthcare staff enjoys working for our centers, which are open Monday through Friday from 7am to 6pm. You may choose to be open part of the day on Saturday, but our centers are closed every evening. Sundays, and all major holidays.

From the moment you begin your discovery, from your very first on-site orientation training to your adult day care center opening and more, we guarantee that you will have a great experience with SarahCare. It is our goal to provide you with the highest quality training, support tools and marketing there is to offer.

Capabilities/Experience of Owners or Principals:

Merle D. Griff, PhD, Founder and CEO of SarahCare Senior Solutions, is one of the leading authorities on the care of seniors in the United States. Dr. Griff has served on numerous national boards and task forces including being the past Chairperson of the Board of Directors for NASDSA (National Adult Day Services Association), member of the INTERNATIONAL ADVISORY BOARD FOR CARF (Commission on the Accreditation for Rehabilitation Facilities) and a task force member for the study of adult day care in the US for the ASSISTANT SECRETARY OF PROGRAM and EVALUATION IN THE DEPARTMENT OF AGING. She has been an invited presenter at both international and national conferences including the WORLD CONGRESS OF FAMILY AND CHILD AND THE INTERNATIONAL CONFERENCE OF EDUCATEURS. Dr. Griff began her professional career working with children and youth as a play therapist. She developed therapeutic techniques that have been published and used throughout the world, namely Family Play Therapy and Intergenerational Play Therapy. As Director of the MCKINLEY CENTRE INTERGENERATIONAL PROJECT, she developed many programs that brought together children from babies through college-age with seniors. Dr. Griff is the author of LINKAGES, a book based on research intergenerational programs, and numerous book chapters and journal articles on topics such as the role of grandparents in family systems.
