Detailed Description of Services:

Ageless Innovation is a global company devoted to developing fun and engaging products for older adults. Beginning with the award-winning line of Joy for All Companion Pets, Ageless Innovation is focused on creating products that promote fun, joy and play while reducing the cost of care and creating meaningful connections for older adults, their families, and caregivers. www.joyforall.com

Capabilities/Experience of Owners or Principals:

Over x years of of experience in.....

Examples of Current Work:

Companion Pets have a proven impact on care communities and help residents enjoy a better quality of life by; reducing social isolation, loneliness, depression, and psychotropic drugs. Our pets are widely used in memory care, therapy, skilled nursing, assisted living, adult daycare, and independent living settings.
NO VET BILLS, JUST LOVE! Joy for All Companion Pets are designed to bring comfort, companionship, and fun to elder loved ones.

Process for Client Engagement:

Demos, how to engage.

Our interactive cats and pup are all about an ease-of-care and convenience paired with technology for the best possible experience. Our Joy for All Companion Pets have been co-developed with extensive feedback from aging loved ones and their families, to provide joy, companionship and intergenerational fun!
