**Detailed Description of Services:**

At My Food Program, our mission is to make participation in the USDA Child and Adult Care Food Program (CACFP) as easy as possible. My Food Program is a cloud-based software and mobile app for adult day programs and provides everything you need to manage the CACFP. My Food Program tracks participant household income eligibility category, validates menus for compliance with the meal pattern requirements, produces food production records, tracks expenses, collates monthly attendance and meal counts and prepares claims for reimbursement for submission to your state agency. We have friendly, helpful customer service and an on-staff registered dietitian to

answer all of your questions.

#### **Capabilities/Experience of Owners or Principals:**

Our registered dietitian has over 10 years of experience with federal feeding programs. Our software development team has over 20 years of experience in developing and maintaining software for compliance-driven functionality.
