Quotes from Clients:

By using Carecenta I am able to see authorization for patience care faster. I am notified if there are any problems with compliance applying to any of my HHA's and can quickly navigate to anther HHA to send out to the patience. The cloud based system allows me to view my HHA's schedule from anywhere. Plan of care is now manageable because of Carecenta software. As long as I have internet access I can check to see that my HHA's have completed all daily tasks. This insures me success for
