Software Technology

Years in Business:

7

Fee Range Per Hour:

we charged on a per member basis and monthly fee depending on the solution

Detailed Description of Services:

Caremerge provides staff the tools it needs to drive social activities and communicate in a way your members and families expect.

Capabilities/Experience of Owners or Principals:

Caremerge has over 7 years of experience serving long-term care organizations. The management team has worked with hundreds of communities across the United States to help drive more social engagement and better

Caremerge

communication with family members.

Examples of Current Work:

Daymark

Process for Client Engagement:

Adult Day Centers can request a demo on our website or reach out to info@caremerge.com. We will then set-up a discovery call to learn more about the challenges they are facing in their organization. Once completed, we will do a custom demo for them that will hit all the main points that can help solve their problems.

Quotes from Clients:
