

ACTION Required: Contact Your Congressional Representative and Senators for ADS Support!

Dear ADS Professional,

We want to share some sample letters that have been sent to Congress and ask for your **immediate help** as a new stimulus bill is considered.

Please click on the following link to view these letters: [Congressional Support Letters](#)

Click here for the letter sent from NADSA and LeadingAge requesting \$422.5 million for ADS funding: [NADSA/LeadingAge Letter](#).

Please forward your letter addressed to Speaker Pelosi to her Outreach Director, Reva Price (Reva.Price@mail.house.gov) and send copies to me at director@nadsa.org.

It is also critical that you write to your Congressional Representative and Senators and make your letters as detailed as you can. Your support is vital to our effort to secure funding for Adult Day Services. If you need assistance in finding out how to reach your Congressional Representative and Senators, please click on the following link: [Contacting Congress](#).

Later this week, we will be sending a message requesting that you call the Speaker's office as well as those in your state.

Now is the time to come together and support our ADS community and those that we serve. Thank you for your support!

Sincerely,

Donna Hale
Executive Director
National Adult Day Services Association
