Participation Creates Power!

Dear NADSA Member:

The Treasury Department and Small Business Administration have announced that the forgiveness process for Paycheck Protection Program (PPP) loans up to \$50,000 will be significantly simplified, reducing the forms from five pages to two and requiring far less documentation. For additional information and links to download forms, click [here](#).

NADSA will continue to monitor this change and provide updates as needed. Please consult with your tax advisor and lending institution for additional information.
