

Paychex Makes It Easy To Manage Payroll, HR, and Benefits

A Strategic Partnership

Paychex can help your business prosper and grow with 24/7 dedicated sales and service teams who understand the nuances of your business. With negotiated pricing specialized for association members, we can offer scalable solutions for both single and multi-unit owners - with an infrastructure to support growth. Paychex Flex®, our all-in-one HR solution, is designed to help you manage workers across the entire employee lifecycle more effectively and more efficiently - freeing you up to focus on your business.

How we can help:

 **Payroll** - Easily enter and run payroll online in as few as two clicks. Automatically calculate, pay, and file payroll taxes. Allow your employees to make self-service actions.

 **Integrations** - Simplify HR & benefits with payroll integrations. Connect the Paychex Flex platform with your other business systems to automatically and seamlessly share data.

 **Human Resources** - Paychex Flex offers an all-in-one HCM, PEO, and HR software solution helping with paperless onboarding, new-hire reporting, leave management, benefits, proactive HR advice, and time and attendance.

 **Retirement** - Flexible 401(k) plans and investment options and fee transparency.

 **Self-Service** - You and your employees can view Paychex Flex® via phone, laptop or desktop - and gain the flexibility to manage your business on the go.

 **Recruiting and Applicant Tracking** - Attract qualified people, streamline hiring and onboarding, and create a positive work culture.
